

Devon Mews Condominiums

A brand new four condominium development

South Shore Views

These 2.5 bedrooms, 2 bathrooms units are nestled on the side of a Devonshire hillside affording Panoramic South Shore Views over Devonshire Bay.

Unique Features

Each unit has its own unique features which make the viewing of all four a necessity before deciding which to purchase.

Master Bedroom

The master bedrooms have marble fitted bathroom and walk-in-closets. The second bedroom has an attached bathroom along with large closets. There is solid oak flooring throughout. Two of the units have fireplaces one with gas and the other wood burning.

Underground Parking

There is underground parking which provides security and storage and an elevator to ensure easy movement throughout. There is also a full capacity generator for all units.

Open Terraces

The upper units have open terraces with breath taking views of the South Shore while the lower units have private garden areas.

Custom Kitchens

Each unit is in the range of 2000 square feet. They are open plan living with custom built kitchens, featuring sub-zero and wolf stainless steel appliances along with granite countertops. Each unit has a laundry area with washer and dryer.
